

## Derek Muschalek's Bird Report

**Location: Chalk Bluff Park (Uvalde) (HOTW 023)**

**Observation date: 4/28/11**

**Number of species: 77**

### **\*\*Varied Bunting and Magnolia Warbler in Uvalde County**

This may be my best list from Nature Quest in the last 11 years.

The male Varied Bunting was in my scope for 15 long minutes as it fed in tall grass.

The male Magnolia Warbler was feeding in pecan trees near a male Mourning Warbler.
