

Hummingbird Banding - April 28, 29, 30, 2011

Master Banders – Bob/Martha Sargent & Fred Basset

Location – Hill Country Nature Center @ Nature Quest Headquarters

Total # of hummers banded were 237.

209 Black-chinned

28 Ruby-throated

15 Returns (with our bands already on them):

6 from 2009 and 9 from 2010

All returns were Black-chinned.

Banded a female Black-chinned on April 28, caught her again on the 29th; she had gained .11grams of weight, which means she probably had an egg growing inside her.
